SECOND EDITION—
THE HUMOROUS POETRY OF THE ENGLISH LANGUAGE—PROM CHAUCER TO SAXE.

By JANES FARON. Cell PD., 2mo. Price H 25.

Mr. Parton a new book metis with deserved success, and we are already called upon to put a second edition to press, which will be ready in a book and a half," so portly are its dimensions, yet large as it is, it is variously and judiclossly filled, for here we have narraitive, sairres, coigmas, buriesques, parodice, travestics, epigrams, epitaphs, translations, including the most celebrated comic poems of the "Anti-Jacobin," "Relected Addreases," the "Ingoldays legends," Blackwood's Magazine," "Bentley's Miscellany, and "Punch," with more than two hundred epigrams, and the choicest humorous poetry of the eider and more modern English and American bards.

[From the Boston Transcript]

The work contains a very large proportion of the best humorous pieces in the English and American Durature. To mention the ambiers would be merely to recapitulate the names of hose who have written in a witty or humorous vein.

From the Ubristan Inquirer?

We are gaid that the happy idea of making a collection of of the best humorous poems in the English language occurred to one so thoroughly competent to the task as Mr. Parton has shown himself to be. Ne similar collection will compare with it as respects voluminousness or the good taste which has presided over its preparation. Large though the volume is, numbering meanly seven hundred pigges, there is scarcely a piece in twinch does not deserve to be there.

It would be quite out of severy to be there.

It would be quite out of the New York. Albion.]

It would be quite out of the New York. Albion.]

The wolume, as far as we know, is unique. Most of the poets—all the best poets—have written humorous verse. The compiler has gone over the literature of England and America, and selected from the writings of

TO MORROW (PRIDAY) MORNING, THE NEW YORK LEDGER will contain the commencement of another new tale, entitled THE HERREW'S CURSE; also, more of THE MYSTIC BRIDE, Cobb's brilliant and powerfully written tale; FARNY FERN'S unequalled sketches, &c., &c.
